Multimodal Corridor	Planned Redevelopment - Mixed Use
Scenic/Noncommercial Corridor	Scenic/Noncommercial Corridor
Target Employment Center	No corresponding category
No corresponding category	Water/Drainage Feature

Tier I amendments are those for which the existing and proposed future land use map (FLUM) categories fall within the same corresponding Countywide Plan Map category. For example, a FLUM amendment from Commercial Limited to Commercial General would qualify as a Tier I, since both FLUM categories correspond to Retail & Services on the Countywide Plan Map, and no amendment to the latter map would be required.
