

**SCHOOL TRANSPORTATION SAFETY
COMMITTEE (STSC) AGENDA**

March 7, 2018 – 9:00 a.m.

310 Court Street, 1st Floor
Planning Conference Room
Clearwater, FL 33756

THE PLANNING COUNCIL AND METROPOLITAN PLANNING ORGANIZATION FOR PINELLAS COUNTY

1. **CALL TO ORDER AND INTRODUCTIONS**
2. **APPROVAL OF MINUTES – OCTOBER 4, 2017**
3. **TAMPA BAY AREA REGIONAL TRANSIT AUTHORITY’S (TBARTA) REGIONAL SCHOOL COMMUTE PROGRAM AND “PIKMYKID” PROJECT**
4. **OVERVIEW OF SENATE BILL 188**
5. **NEW STATEWIDE STANDARDS FOR SCHOOL ZONES UPDATE**
6. **OTHER BUSINESS**
 - A. Hazardous Walking Conditions Update
 - B. SPOTLight Emphasis Area Update
 - C. Crossing Guard Press Release 2018
 - D. STEPS Program – Minutes & Agendas
 - E. Informational Items
 - Summer Bridge & Bell Times
 - Crossing Guard - List of Locations
 - Enrollment of Students
 - School Calendar
 - F. Request for Future Agenda Topics
7. **ADJOURNMENT**

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact the Office of Human Rights, 400 South Fort Harrison Avenue, Suite 300, Clearwater, Florida 33756; [(727) 464-4062 (V/TDD)] at least seven days prior to the meeting.

Persons are advised that, if they decide to appeal any decision made at this meeting/hearing, they will need a record of the proceedings and, for such purpose, they may need to ensure that a verbatim record of the proceedings is made, which record includes testimony and evidence upon which the appeal is to be based.

Next Meeting: June 6, 2018

School Transportation Safety Committee – March 7, 2018

2. Approval of Minutes

SUMMARY

The meeting summary for the October 4, 2017 meeting is attached for review and approval.

ATTACHMENT(S): STSC Meeting Summary – October 4, 2017

ACTION: Approval of Meeting Summary

**SUMMARY OF SCHOOL TRANSPORTATION SAFETY COMMITTEE
MEETING OF OCTOBER 4th, 2017**

The meeting was held on Wednesday, October 04, 2017, at 9:00 a.m., in the 2nd Floor Planning Department Conference Room. Those in attendance were:

Members Present:

Carol Cook (Acting Chair)	Pinellas County School Board
Mike Burke	Pinellas County Schools
Heather Gracy	City of Dunedin
Caroline Lanford	Pinellas County Planning
Commissioner Jacob Karr	City of Tarpon Springs
Commission Dave Eggers	Pinellas County (BCC)
Joshua Shulman	PSTA

Members Absent:

Peggy O'Shea (Chairman)	Pinellas County School Board
John Carroll	City of Largo
Councilman Dr. Bob Cundiff	City of Clearwater
Terry Huberty	Pinellas County School Board
Commissioner Cliff Merz	City of Safety Harbor
Rick McBride	Pinellas County School Board Transportation
Commissioner Gabby McGee	City of Oldsmar
Thomas McGinty	Pinellas County School Board Transportation
Doug Mullis	Citizen Representative
Marshall Touchton	Pinellas County School Board
Council Lisa Wheeler-Bowman	City of St. Petersburg
	Pinellas Park
	City of Seminole
	City of Madeira Beach
	City of Gulfport

Others Present:

James Fogarty	JRB Solutions, LLC
Neil Birchfield	Pinellas County Citizen
Casey Morse	Pinellas Works/Traffic
Joan Rice	Pinellas Works/Traffic
Gina Harvey	Pinellas Works/Traffic
Rodney Chatman	Forward Pinellas Staff
Sandra Cuddington	Forward Pinellas Staff
Sam Gibbons	Forward Pinellas Staff
Maria Kelly	Forward Pinellas Staff

1. **CALL TO ORDER**

Acting Chairperson Carol Cook called the meeting to order at 9:00 a.m.

2. **APPROVAL OF MINUTES – June 7, 2017**

The summary of the June 7, 2016 meeting was approved as provided.

3. **TAMPA BAY AREA REGIONAL TRANSIT AUTHORITY (TBARTA) REGIONAL SCHOOL COMMUTE PROGRAM AND PIKMYKID PROJECT**

Forward Pinellas staff received a late call that the gentleman who was presenting this item fell ill and will be unable to attend.

4. **NEW STATEWIDE STANDARDS FOR SCHOOL ZONES**

Rodney Chatman, Forward Pinellas staff shared that the Department of Transportation has issued new guidance on signing and marking for school zones effect July 1, 2017. Staff members are already working on this new directive. The objective is to enhance and improve driver awareness in compliance with the safety of school children. The changes to the standards are based on school zone flashing beacon assemblies, speeding fines (doubled fines signage) and placement of pavement markings. Casey Morse and Joan Rice with Pinellas County Traffic and Engineering, shared information pertaining to schools that currently do not have the school zone flashing beacon assemblies and speeding fines doubled signs can submit a request for funding for the flashers and signs. At this time, Citizen Neil Brickfield was invited to address the committee on behalf of Blanton Elementary School, asking the committee to assist in obtaining signage on 66th Street, to announce the schools presence and for drivers to slow down prior to the school rather than when the driver is already in the zone. Ms. Morse and Ms. Rice had all the information needed from Mr. Brickfield to look into his request. Questions were taken and appropriately answered.

5. **REVIEW AND RECOMMENDATION OF STSC BYLAWS**

Mr. Chatman reminded the committee member's discussion and comments on the bylaws at the last meeting were taken into consideration and with those changes, the bylaws were coming back to the committee for action to bring the bylaws before the Forward Pinellas Board for approval. Commission Eggers moved to have the STSC bylaws brought before the Board for approval. It was seconded by Heather Gracy and passed unanimously.

6. **OTHER BUSINESS**

A. **Hazardous Walking Conditions Update**

Mike Burke with the Pinellas County School Board (PCSB) updated the committee on the Hazardous Walking Conditions. PCSB is still working with FDOT on how they wish to proceed on formalizing the process. They are still using PCSB as the statewide example. Senate bill 188 - Public School Transportation before the legislature in Tallahassee, before the education appropriation subcommittee, proposing to transport all kindergarten through 12th grade on the hazardous walk conditions. PCSB will win and lose in some instances as far as funding goes. The more serious ramification is that they want to change 1006.21, to reduce the walk zone for the schools from 2 miles to 1.5 miles. With this change, 30% to 40% more children will be riding the bus. This will add \$10 to \$15 million more in transportation costs for PCSB. A new compound will be needed to hold an additional 100 to 125 buses as well as another 100 to 125 school bus drivers. Bus drivers are desperately needed. Commissioner Jacob Karr inquired about an area in Tarpon Springs, Whitcomb Bayou, prone to flooding creating a walk/bike hazard for school children. He also inquired about Anklet Road and that road has no

lighting at the bus stop for students who are waiting to catch the bus. Casey Morse with Pinellas County Public Works will get in touch with Commission Karr to discuss further.

B. Pinellas County Schools Five-Year Facilities Work Program (2017/18 – 2021/22)

Mr. Chatman address the committee on the Five-Year facilities work program in that this is just an informational item provided by the school board highlighting some of the current work projects for area schools.

C. Pinellas SPOTlight Emphasis Areas Update

Mr. Chatman updated the committee on the SPOTlight Emphasis Areas and mentioned the Technology Forum hosted in late September was a successful event with presentations from FDOT, PSTA, Hart and two private groups working on different forms of aerial transportation.

D. STEPS Program

Steps meeting was cancelled for September however other meeting agendas and meeting minute's information are included in the agenda packet. The schools fared well during Hurricane Irma and there were very little issues with the shelters, with the exception of the delayed power.

E. Requests for Future Agenda Topics

No requests for future topics

7. ADJOURNMENT

The Committee adjourned at 10:08 am

Next meeting date on March 7, 2018

**3. TBARTA Regional School Commute Program and
PikMyKid Project**

SUMMARY

The Tampa Bay Area Regional Transit Authority (TBARTA) provides ride-matching services that are improving the way in which parents and students travel to and from school. TBARTA's Regional School Commute Program matches parents of students at participating schools with other parents at those schools, so they can arrange a carpool, saving time and money. Another service TBARTA provides through the Regional School Commute Program is through PikMyKid. PikMyKid is a public-private partnership with a Tampa-based technology company that uses proprietary software to streamline the school dismissal process. The Florida Department of Transportation (FDOT) awarded TBARTA a \$115,000 grant to cover a full year's cost for the yearly license fee for schools in five area counties — Hillsborough, Pinellas, Pasco, Hernando and Citrus counties. The technology company's mobile and web-based platform lets parents and school administrators communicate about when the parent is picking up a child from school. A study by University of South Florida College of Business showed schools that subscribe to the system can save up to \$43,000 annually in labor, transportation and traffic management.

Michael Case, Principal Planner with TBARTA will provide a brief overview of the program.

ATTACHMENT(S): TBARTA Regional School Commute Program Tips for Parents

ACTION: None Required, Informational Item Only

TBARTA Regional School Commute Program Tips for Parents

A successful "School Commute Program" is the product of fairness multiplied by courtesy and common sense.

Don't be shy. Pick up the phone and call some of the parents on your Rideshare Match List. Don't be surprised if you get a call from someone who also wants to share a ride. Your name appears on the match lists of other interested people who have completed a School Program registration and who live near you.

Arrange a get-together to get acquainted. Set up a time to meet to discuss the possibility of ridesharing. Consider pick-up and drop-off times, driver and student responsibilities, division of expenses, if any, and personal preferences. Also, if ridesharing everyday may not work for you, try just one or two days a week.

Trust your instincts. If you sense you or your child will not get along with a potential school pooler, there is no need to push yourself or your child into an uncomfortable situation. If prospects look good, however, work out the details and agree to participate for a trial period. Evaluate the situation as you go and if you aren't happy or comfortable, you can always bow out. Check your Rideshare Match List for new partners or call your School Program Coordinator for further assistance.

Let democracy rule. Devise and agree on the "School Pool" rules right from the start: when payments, if any, are due; who collects them; whom to call in case of an absence or delay; and so on. If something about the school pool bothers you, speak up. A successful "School Pool" is the product of fairness multiplied by courtesy and common sense. Above all talk with your child about how they like the school pool.

Take the responsibility of driving seriously. If you are a driver, make sure your auto insurance covers everyone in the car. Be vigilant when you are at the wheel. This means no drinking alcohol, no smoking, no speeding,

and no aggressive driving or other forms of recklessness. Children's lives are in your hands. The comfort of passengers is also in the driver's hands, and simple courtesy dictates that your car be clean when you drive. Trash on the floor and food on the seats are discouraging sights.

Once a school pool gets started, punctuality is paramount. School poolers should agree in advance on an alternative plan in case the driver is unavailable, or will be late. A parent who anticipates their child being late, or absent should let the designated driver know, as soon as possible. If late, the parent should make their own arrangements for their child to get to school.

Avoid side trips. As the driver, make sure there's enough gas in the car for a round trip. Resist making stops to take care of personal errands. These should be handled on your own time.

Let us know about your school pool. Once you have started school pooling on a regular basis, be sure to let your assigned School Program Coordinator (SPC) know how it is working. You will also receive surveys to gather your feedback.

Above all, talk with your child about school pooling. Parents should tell their child to keep distractions to a minimum. For the protection of all, the driver needs to keep his or her eyes on the road. Discuss good "School Pool" manners, courtesy, and common sense.

Questions? Ask for the School Program Coordinator at your participating school.

4. Overview of Senate Bill 188

SUMMARY

The Florida Legislature is considering amendments to Section 1006.23, F.S., which would make substantive changes to public school transportation. Below is a summary of the proposed changes;

- reduces the walk radius from 2 miles to 1.5 miles;
- expands the transportation requirement to all public school students who are subjected to hazardous walking conditions;
- reduces the posted speed limit standard from 50 miles per hour to 45 miles per hour for roadways that are classified as uncontrolled crossings;
- reduces the number of lanes standard from 6 lanes to 4 lanes for roadways that are classified as uncontrolled crossings; and
- mandates that the school district superintendent must request a hazardous walking condition review if a written request is received from a parent of a student who attends school in the district.

Pinellas County School District staff will provide a brief overview of SB 188 and its potential impact to public school transportation.

By Senator Steube

23-00195A-18

2018188__

1 A bill to be entitled
2 An act relating to public school transportation;
3 amending s. 1006.21, F.S.; requiring district school
4 boards to provide transportation to certain students;
5 amending s. 1006.23, F.S.; revising the definition of
6 the term "student"; revising the speed and road
7 conditions that meet the requirements for a hazardous
8 walking condition; requiring a district school
9 superintendent to request a review of a hazardous
10 walking condition upon receipt of a written request
11 from a parent of a student; amending ss. 1002.20 and
12 1011.68, F.S.; conforming provisions to changes made
13 by the act; providing an effective date.

14
15 Be It Enacted by the Legislature of the State of Florida:

16
17 Section 1. Paragraphs (a) and (b) of subsection (3) of
18 section 1006.21, Florida Statutes, are amended to read:

19 1006.21 Duties of district school superintendent and
20 district school board regarding transportation.—

21 (3) District school boards, after considering
22 recommendations of the district school superintendent:

23 (a) Shall provide transportation for each student in
24 prekindergarten disability programs and in kindergarten through
25 grade 12 membership in a public school when, and only when,
26 transportation is necessary to provide adequate educational
27 facilities and opportunities that ~~which~~ otherwise would not be
28 available and to transport students whose homes are more than
29 1.5 miles ~~a reasonable walking distance, as defined by rules of~~

23-00195A-18

2018188__

30 ~~the State Board of Education,~~ from the nearest appropriate
31 school.

32 (b) Shall provide transportation for public ~~elementary~~
33 school students ~~in membership whose grade level does not exceed~~
34 ~~grade 6,~~ and may provide transportation for public school
35 students ~~in membership in grades 7 through 12,~~ if they such
36 students are subjected to hazardous walking conditions as
37 provided in s. 1006.23 while en route to or from school.

38 Section 2. Subsection (1), paragraphs (a) and (c) of
39 subsection (2), and paragraph (a) of subsection (3) of section
40 1006.23, Florida Statutes, are amended to read:

41 1006.23 Hazardous walking conditions.—

42 (1) DEFINITION.—As used in this section, the term "student"
43 means any public ~~elementary~~ school student in kindergarten
44 through grade 12 ~~whose grade level does not exceed grade 6.~~

45 (2) HAZARDOUS WALKING CONDITIONS.—

46 (a) *Walkways parallel to the road.*—

47 1. It shall be considered a hazardous walking condition
48 with respect to any road along which students must walk in order
49 to walk to and from school if there is not an area at least 4
50 feet wide adjacent to the road, not including drainage ditches,
51 sluiceways, swales, or channels, having a surface upon which
52 students may walk without being required to walk on the road
53 surface. In addition, whenever the road along which students
54 must walk is uncurbed and has a posted speed limit of 45 ~~50~~
55 miles per hour or greater, the area as described above for
56 students to walk upon shall be set off the road by no less than
57 3 feet from the edge of the road.

58 2. Subparagraph 1. does not apply when the road along which

23-00195A-18

2018188__

59 students must walk:

60 a. Is a road on which the volume of traffic is less than
61 180 vehicles per hour, per direction, during the time students
62 walk to and from school; or

63 b. Is located in a residential area and has a posted speed
64 limit of 30 miles per hour or less.

65 (c) *Crossings over the road.*—It shall be considered a
66 hazardous walking condition with respect to any road at any
67 uncontrolled crossing site which students must walk in order to
68 walk to and from school if:

69 1. The road has a posted speed limit of 45 ~~50~~ miles per
70 hour or greater; or

71 2. The road has four ~~six~~ lanes or more, not including turn
72 lanes, regardless of the speed limit.

73 (3) IDENTIFICATION OF HAZARDOUS CONDITIONS.—

74 (a) When a district school superintendent requests a
75 ~~request for review of is made by the district school~~
76 ~~superintendent with respect to~~ a road over which a state or
77 local governmental entity has jurisdiction concerning a
78 condition perceived to be hazardous to students in that district
79 who live within the 1.5-mile ~~2-mile~~ limit and who walk to
80 school, such condition must ~~shall~~ be inspected jointly by a
81 representative of the school district, a representative of the
82 state or local governmental entity with jurisdiction over the
83 perceived hazardous location, and a representative of the
84 municipal police department for a municipal road, a
85 representative of the sheriff's office for a county road, or a
86 representative of the Department of Transportation for a state
87 road. The district school superintendent must request the review

23-00195A-18

2018188__

88 if he or she receives a written request from a parent of a
 89 student in the school district. If the jurisdiction is within an
 90 area for which there is a metropolitan planning organization, a
 91 representative of that organization must ~~shall~~ also be included.
 92 The governmental representatives shall determine whether the
 93 condition constitutes a hazardous walking condition as provided
 94 in subsection (2). If the governmental representatives concur
 95 that a condition constitutes a hazardous walking condition as
 96 provided in subsection (2), the governmental entity with
 97 jurisdiction must ~~shall~~ report that determination in writing to
 98 the district school superintendent, who shall initiate a formal
 99 request for correction as provided in subsection (4).

100 Section 3. Paragraph (b) of subsection (22) of section
 101 1002.20, Florida Statutes, is amended to read:

102 1002.20 K-12 student and parent rights.—Parents of public
 103 school students must receive accurate and timely information
 104 regarding their child's academic progress and must be informed
 105 of ways they can help their child to succeed in school. K-12
 106 students and their parents are afforded numerous statutory
 107 rights including, but not limited to, the following:

108 (22) TRANSPORTATION.—

109 (b) *Hazardous walking conditions.*—~~K-6~~ Public school
 110 students shall be provided transportation if they are subjected
 111 to hazardous walking conditions, in accordance with the
 112 provisions of ss. 1006.21(3)(b) and 1006.23.

113 Section 4. Paragraphs (a) and (e) of subsection (1) of
 114 section 1011.68, Florida Statutes, are amended to read:

115 1011.68 Funds for student transportation.—The annual
 116 allocation to each district for transportation to public school

23-00195A-18

2018188__

117 programs, including charter schools as provided in s.
118 1002.33(17)(b), of students in membership in kindergarten
119 through grade 12 and in migrant and exceptional student programs
120 below kindergarten shall be determined as follows:

121 (1) Subject to the rules of the State Board of Education,
122 each district shall determine the membership of students who are
123 transported:

124 (a) By reason of living 1.5 ~~2~~ miles or more from school.

125 (e) With respect to public ~~elementary~~ school students whose
126 ~~grade level does not exceed grade 6, by reason of being~~
127 subjected to hazardous walking conditions en route to or from
128 school as provided in s. 1006.23. Such rules shall, when
129 appropriate, provide for the determination of membership under
130 this paragraph for less than 1 year to accommodate the needs of
131 students who require transportation only until such hazardous
132 conditions are corrected.

133 Section 5. This act shall take effect July 1, 2018.

Proposal would lead to more kids on school buses

NEWS SERVICE OF
FLORIDA

NEWS SERVICE OF FLORIDA 4 days ago February 12, 2018

Despite concerns from school districts and lawmakers about the projected costs, a Senate committee Monday approved a bill that would lead to more students being able to take school buses.

The bill (SB 188), filed by Sen. **Greg Steube** would require that buses be available for students who live more than 1.5 miles from school — down from the current standard of two miles. It also would make other changes, such as ensuring that buses would be available to all students who encounter “hazardous walking conditions” going back and forth to school.

The Senate Education Committee voted 8-1 to approve the bill, which Steube said was aimed at helping keep children safe. But some lawmakers said they had heard from school districts worried about the potential costs of such an expansion of busing.

A staff analysis said the changes would lead to the transportation of an estimated 61,765 additional students, at a cost of nearly \$58.5 million. Also, it said an estimated 908 additional buses would be needed, at a cost of more than \$97.1 million.

School Transportation Safety Committee – March 7, 2018

5. New Statewide Standards for School Zones Update

SUMMARY

As discussed during the October 2017 STSC meeting, effective July 1, 2017, the Florida Department of Transportation (FDOT) enacted new statewide criteria for the signing and marking of school zones. These new criterion apply to all school zones for public, private, and charter elementary, middle, and high schools.

Pinellas County staff will provide a brief overview of their progress towards implementation of the new statewide standards.

ATTACHMENT(S): FDOT Statewide School Zone Implementation Plan

ACTION: None Required, Informational Item Only

Florida Department of Transportation

Statewide School Zone Implementation Plan

Background

The FDOT Speed Zoning for Highways, Roads, and Streets in Florida Manual update for 2017 includes a new Chapter on statewide criteria for school zones. The new chapter addresses school zones for public, private, and charter elementary, middle, and high schools. This Manual is adopted by Rule 14-15.012, effective July 1, 2017.

Requirement

All school zones in Florida shall meet new criteria for signing and marking within five (5) years from the Speed Zoning Manual adoption date, making compliance a requirement by July 2022.

Implementation Plan

Florida will achieve implementation of new school zone requirements through the following approach:

(1) Outreach Phase (prior to Rule adoption)

- Presentations to:
 - Greenbook Committee
 - FSITE (FLUTECH)
 - FACERS
 - Training at FDOT Design Expo

(2) Inventory Documentation Phase (to occur after Rule adoption)

- Local agencies will submit list of existing deficient school zone locations to Districts for inclusion in implementation plan – deadline is 1 year from the manual publishing date.
 - No additional requests from maintaining agencies will be considered after the deadline.
 - Any school zone locations not identified prior to the deadline are still required to be in compliance with new school zone signing and markings criteria, but will not be considered for funding by the Districts.

(3) Notification Request Phase (to occur within 1st year)

- Local agencies will be notified by the District within 1 year of manual adoption date to start the formal request and form submission process.
 - Notification phase will include standard request forms to be filled out by the Local Agency and submitted to the Districts.
 - Requests will include location information and device types and quantities for each school zone reported by the Local Agency during the initial inventory documentation phase.
 - Districts will review and approve/disapprove and process requests received from Local Agencies and prepare for the Deployment phase.

(4) Deployment Phase (to occur during years 2 – 5)

- Districts will perform programming of device purchases and coordinate delivery to Local Agencies based on available funding and number of school sites within each District. Federal funding may be available on a year-by-year basis, only for four years.
 - Procurement:
 - Devices and materials may be purchased by the Districts from the FDOT sign shop or statewide APL contract.
 - Signs, flashing beacons, posts, solar panels, batteries, cabinets, timer/controllers and wireless communications are eligible devices for purchase by the Districts and may vary depending on the Local Agency needs.
 - Delivery & Installation:
 - Delivery to Local Agency for installation (if Local Agency is LAP certified or has agreement with LAP certified County if within County boundary)
 - Any JPA/LAP agreement shall be in accordance with Federal Aid Technical Bulletin No. 15-02.
 - If the new school pavement markings location standard cannot be implemented at the time of the equipment upgrade, postponement until the next capital improvement resurfacing schedule will be allowed.
 - Certification and Close-out:
 - Local Agencies will self-certify installation completion by submitting completed self-certification forms that will be provided to each maintaining agency as part of the form submitting Notification Request phase.
 - Districts will monitor compliance and self-certification results for maintaining agencies. Self-certification forms shall be submitted by the Local Agency within 12 months of delivery of equipment.

Florida Department of Transportation Announces Crossing Guard Appreciation Day and Award Winners

TALLAHASSEE - Florida Department of Transportation's (FDOT) Safety Office announces Friday, February 2, 2018, as Crossing Guard Appreciation Day to recognize the hard work and dedication of those individuals who keep Florida's schoolchildren safe as they go to and from school. FDOT works with law enforcement agencies and provides standards and uniform training across the state to ensure the safety and effectiveness of the program.

Florida Department of Transportation Secretary Mike Dew said, "Florida's schoolchildren are safer because of the work our crossing guards do each day. Today we honor their service in protecting Florida's most valuable resource as they bike and walk to school."

Every year the department recognizes individuals and organizations exemplifying professionalism and responsibility for the safety of children.

2017 Florida School Crossing Guards of the Year:

Collier County Sheriff's Office

- ***Becky Beatty***

Pasco County Sheriff's Office

- ***Donald Niles***

2017 Florida School Crossing Guard of the Year Extra Mile Award:

Seminole County Sheriff's Office

- ***Robert Beltzer***

2017 School Crossing Guard Programs of the Year

- ***Clearwater Police Department*** (Large Agency)
- ***Seminole County Sheriff's Office*** (Medium Agency)

Florida is a national leader in developing crossing guard uniform training guidelines and curriculum. FDOT is dedicated to providing a train-the-trainer program to educate trainers on the safe and effective techniques and crossing procedures used by crossing guards.

Governor Rick Scott issued a proclamation of appreciation. Click [here](#) to access the proclamation.

II. APPROVAL OF MINUTES

III. SITE SPECIFIC

- Blanton ES - Adding timing to signal, requesting directed patrol at 63rd Way & 54th
- East Lake HS - Waiting for RRFBs
- Gulfport ES - Construction should end 2nd quarter
- Orange Grove ES - Work Order in for PCS striping
- Palm Harbor MS - Adding plaque under PED sign, PC to check on signal timing & dismissal observation scheduled
- Palm Harbor U HS - Solar added to RRFBs; Improvements starting in February finish in April
- Pinellas Park MS - PC needs to know what permit has not been approved
- Ponce de Leon ES - Shaving down crown in the intersection
- Sutherland ES - Directed patrol was out, no further action needed.
- Tarpon Springs HS - Mike will conduct a site visit

IV. NEW GENERAL BUSINESS

- a. New General Topics as introduced by committee:
- b. Crash History Review: 108 fatal crashes 115 fatalities
- c. Hazardous Walk Review: Trying to condense meetings from 5-6 to 2-3
- d. Summer Bridge bell times: Meeting on Jan 26th, (Preferred 8:00 - 1:00)
- e. Bell Times 18-19 school year: 10 minutes will be added to all elementary, preferred time in the A.M.

- f. McMullen Booth Water Line Replacement - Short of the Fire Station near Chi Chi; should not impact Countryside HS
- g. Bike Trailer - Vehicle Maintenance has supplied a Dually truck to relocate trailer. Tiffany discussed possibility of stocking a Bike Bus, Mike will email Rachelle.

V. **COMMITTEE BUSINESS/UPDATES**

- a. Student Assignment - Parents are in process of applying for District Application Program

VI. **OLD GENERAL BUSINESS**

- a. Walking School Bus - Nothing to report
- b. Anclote Road - RSA Meeting Jan 25th

VII. **NEXT MEETING**

Wednesday February 21, 2018 *9:00 am Royal Palm Room WPSC - 11111 S Belcher Rd., Largo

cc:

Committee Members

BAC: MPO Bicycle Advisory Committee (Attn: Sarah Ward)
CTST: Community Traffic Safety Team (/Marc Hanger)
PTAC: MPO Pedestrian Transportation Advisory Committee (attn: Sarah Ward)
STSC: MPO School Transportation Safety Committee (Attn: Gina Harvey)
Florida Suncoast Safe Kids Coalition (Attn: Jean Shoemaker)

VII. Site Specific

Site	Discussion	Action Items	STEPS School District Contact	STEPS Agency Contact for
Blanton ES	Speed / flashing zones: County would like to put in speed zone, speed will be reduced. Another issue, school staff member is crossing students one at a time across school driveway rather than grouping causing increase in traffic. Added timing to signal outside out school on 54th. Follow-up required.	Crossing guard was added; Meeting 1/23 at Blanton to discuss options. Requesting directed patrol at 63rd Way & 54th Ave from PCSO.	Jim Dzija	Casey Morse
East Lake HS - Bryan Ln	Follow up on RRFBs - Still remains under litigation; looking at alternatives	County will pick up cost; Meeting with DOT, Casey and Tom will take place.	Terry Huberty	Tom Washburn Casey Morse Pinellas County
Gulfport ES	22nd Ave S Drainage Improvements - between 51st St. S. and 55th St. S. Construction is progressing, received no concerns; expected completion 2nd Quarter.	4 ft. Fencing installed on the westside of PCS area. Project is still ongoing with no impact to school.	Jerry Reynolds	Casey Morse
Orange Grove ES	No additional signage for street parking is necessary. No parking impact on neighbors, school submitted request for stop bars and walkway. Work order is in for PCS driveway striping.	Check with city about restriping roadway, site check.	Jerry Reynolds	City of Seminole
Palm Harbor MS	Confusing school zones on 19th Street: PC doing an inventory of signs. Signal Timing: Bus drivers concerned about not being able to make Left turn off 19th St onto Tampa Rd.	Add plaque stating "Tampa Rd" underneath PED sign PC to check timing on lights; dismissal observation Casey, Mike, Carrie.	Terry Huberty	Casey Morse
Palm Harbor University	Cross walk issue - 19 / Delaware lights to go up to trigger cross walk spring of 2018. Solar added to RRFBs. Improvements will start in February and end in April	July 2018 - FDOT is working on it. Will begin in February end in April	Terry Huberty	Casey Morse
Pinellas Park MS	Site plan issues, improved signage, do not block bus entrance. Follow-up - crossing guard locations. Adding a new parent loop on the back of school off 68th. Rerouting students to 68th Ave and 68th St while they demolish the Administration Bldgs.	Stephanie at Construction Meeting 1/18; PCS to make sure sidewalks are ready for students. PC public works has approved all permits, need to know what permit they are talking about in regard to crossing the drain	Jim Dzija Stephanie Carrier	Casey Morse
Ponce De Leon ES	Heavy rain and drainage on Ponce De Leon Blvd. Crown in the intersection is causing the drainage. Follow - up	Lee Harris is working with Public worksto shave down the pavement in the intersection.	Tom McGinty Mike Burke	Largo PD/Lee Harris / PC
Tarpon Springs HS #16251	Several concerns about TSHS safe walk to school zones. Site meeting required.	Evaluation of traffic flow & street safety markings/lighting. Mike will do a site visit to take pictures for Transporation Director.	Mike Burke Terry Huberty	Casey Morse
TTSS	Travel -To - School - Safety			
FDOT	Florida Department of Transportation			
SRTS	Safe Routes to School			
RRFB	Rectangular Rapid Flashing Beacon			

STEPS Agenda for February 21, 2018

School Transportation & Enhanced Pedestrian Safety Committee

Subject: Summer Bridge information now online.....

Good morning Alicia,

Please forward to all STEPS members. All summer bridge information is now online
at: www.pcsb.org/summerbridge

All 3 grade levels (elementary, middle & high schools) have uniform Summer Bridge bell times, 8:30-12:30, Mon –
Thurs, June 5-July 19.

Mike Burke
Route & Safety Auditor
