TECHNICAL COORDINATING COMMITTEE (TCC) MEETING AGENDA

OCTOBER 28, 2020 - 2:00 p.m.

Virtual Meeting

THE PLANNING COUNCIL AND METROPOLITAN PLANNING ORGANIZATION FOR PINELLAS COUNTY

- 1. CALL TO ORDER AND INTRODUCTIONS
- 2. APPROVAL OF MEETING SUMMARY
- 3. TRANSPORTATION IMPROVEMENT PROGRAM AMENDMENTS
- 4. FALL UPDATE OF THE TRANSPORTATION IMPROVEMENT PROGRAM
- 5. COUNTYWIDE TRENDS AND CONDITIONS REPORT
- 6. FDOT SAFETRIP
- 7. FLORIDA TRANSPORTATION PLAN
- 8. FORWARD PINELLAS COMPLETE STREETS GRANT PROGRAM APPLICATIONS
- 9. INFORMATIONAL ITEMS
 - A. SPOTLight Emphasis Areas Update
 - **B. Forward Pinellas Board Executive Summary**
 - C. Traffic Fatalities Map
 - D. Tentative Future Agenda Topics
- 10. OTHER BUSINESS
- 11. ADJOURNMENT

NEXT MEETING – DECEMBER 09, 2020

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact the Office of Human Rights, 400 South Fort Harrison Avenue, Suite 300, Clearwater, Florida 33756; [(727) 464-4062 (V/TDD)] at least seven days prior to the meeting.

Appeals: Certain public meetings result in actions taken by the public board, commission or agency that may be appealed; in such case persons are advised that, if they decide to appeal any decision made at a public meeting/hearing, they will need a record of the proceedings, and, for such purposes, they may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

<u>Technical Coordinating Committee - October 28, 2020</u>

2. Approval of Meeting Summary

SUMMARY

The meeting summary for the September 23, 2020 meeting is attached for review and approval.

ATTACHMENT(S): TCC Meeting Summary – September 23, 2020

ACTION: Provide recommendation regarding meeting summary.

SUMMARY OF THE TECHNICAL COORDINATING COMMITTEE MEETING SEPTEMBER 23, 2020

The following is a summary of Forward Pinellas' Technical Coordinating Committee meeting held on September 23, 2020. This was a Zoom Virtual Meeting, using the Forward Pinellas Zoom platform.

Members Present

Joan Rice, Chair Pinellas County Public Works Traffic

Heather Sobush, Vice Chair PSTA

Evan Birk City of St. Petersburg - Engineering and Capital Improvements

Jamie Elbert City of Gulfport
Brian Ellis TBRPC – By Phone
Mark Ely City of Seminole

Russell Ferlita City of Dunedin Engineering

Brent Hall Pinellas County Public Works Engineering

Brandon Henry City of Safety Harbor

Roger Johnson
Caroline Lanford
Pinellas County Planning
Cory Martens
City of Clearwater Engineering
Pinellas County Planning
City of Clearwater Traffic
City of Clearwater Planning
Patricia McNeese
City of Tarpon Springs

Michele Parisano City of Oldsmar

Brian Pessaro TBARTA

Rick Perez

Derek Reeves

City of Largo Planning
City of Pinellas Park
City of Dunedin Planning

Cheryl Stacks City of St. Petersburg – Transportation and Parking

Jamie Viveiros City of Treasure Island

Autumn Westermann Pinellas County Schools-Transportation

Barry Westmark City of Largo Engineering

Tom Whalen City of St. Petersburg Planning and Eco. Dev.

Members Absent

Hetty Harmon City of Indian Rocks Beach

Dan Hubbard City of Pinellas Park Stormwater &Transp.

Sheila Schneider Pinellas County Air Quality

Mike Taylor City of Gulfport

Wesley Wright City of St. Pete Beach

Others Present

Jensen Hackett FDOT

Kyle Simpson City of St. Petersburg - Transportation/Bike/Ped

Reid Powers PSTA

Christine Fisher City of Clearwater Planning

Terry Bowers TBARTA

Kevin Jackson City of St. Petersburg - Engineering & Cap Improv Alternate

Nicole Dufva PSTA Abishek Dayal PSTA

Amy Elmore Forward Pinellas
Austin Britt Forward Pinellas
Chelsea Favero Forward Pinellas
Jared Austin Forward Pinellas
Maria Kelly Forward Pinellas

1. CALL TO ORDER

Chair Joan Rice called the meeting to order at 2:00 p.m. Chelsea Favero reviewed the Zoom meeting guidelines and the attendees were announced by Ms. Maria Kelly, there were 37 attendees.

2. APPROVAL OF SUMMARY

The summary of the August 26, 2020 meeting was approved with no corrections.

3. <u>FY 2019/20 – FY 2023/24 TRANSPORTATION IMPROVEMENT PROGRAM (TIP) AMENDMENT</u> There were no proposed TIP amendments.

4. CITY OF ST. PETERSBURG MICROMOBILITY

Cheryl Stacks, City of St. Petersburg, reviewed the city's e-scooter pilot program with the committee. The primary reason for the program is to provide more mobility options for the residents and visitors of St. Petersburg, including first-mile/last-mile transit access. Once state legislation was passed in June of 2019, St. Petersburg began development of this program, which allows e-scooters on public streets in the city with a maximum speed limit of 20 mph. Based on feedback received during public outreach, the city has structured the program so that it has limited hours of operation, no sidewalk usage, parking in corrals only, a minimum operating age, and so that any available revenue will be invested into further development of a low-stress bike network as part of the city's Complete Streets Program. Enforcement needs were also identified. Regulations were put forward through the adoption of a city ordinance in October 2019, applying to all scooters with added rules for licensed agreements between e-scooter providers and the city. Two scooter providers were selected in the spring and agreements with them were finalized. The City of St. Petersburg will create and manage the scooter parking corrals. The City of Tampa has partnered with USF for a scooter program as well. Questions were taken and appropriately answered.

5. PSTA SUNRUNNER

Mr. Abhishek Dayal, PSTA Director of Project Management, shared a PowerPoint presentation with the committee regarding Tampa Bay's first Bus Rapid Transit (BRT) service, the SunRunner. The SunRunner will offer service from downtown St. Petersburg to St. Pete Beach. The Sunrunner will utilize 1st Avenue North, 1st Avenue South, Pasadena Avenue and Gulf Boulevard. The 10-mile route includes 16 stations/station pairs serving the cities of St. Petersburg, South Pasadena and St. Pete Beach. The buses will run in semi-dedicated Business Access and Transit (BAT) lanes which allow for business access and emergency vehicles. The lanes will be paved with redpigmented asphalt with way-side signage along the route. Hybrid-electric buses with interior bike racks and two extra-large passenger information screens will be used. Stations will be equipped with security cameras, elevated platforms and totems with video screens on both sides for real-time bus departure and ticket information. The anticipated project opening will be in early 2022. Questions were taken and appropriately answered.

6. INFORMATIONAL ITEMS

A. SPOTlight Emphasis Areas update.

Ms. Favero updated the committee on the planned pedestrian underpass on US 19 at Republic Drive. She noted that the Forward Pinellas Board took action to approve the underpass and to confirm their support for maintaining ¼-mile to ½-mile grade separated pedestrian crossings in the design of future improvements on US 19 North. A workshop will be held with the Board in the January/February time frame to discuss the innovative intersection concepts that have been proposed for US 19 North to get the Board to build consensus on what the intersections north of Tampa Road will look like going forward. For the Gateway Master Plan, the plan has been finalized and documentation has been sent out to all the partners. A Study Management Team meeting will be held the second or third week in October to address performance

measures. Regarding access to the beaches, a Waterborne Transportation Subcommittee of the Forward Pinellas Board will be meeting in a few weeks to discuss waterborne transportation.

- **B.** Board Action Sheets September 9, 2020 summary was provided.
- C. Traffic Fatalities Map attached
- D. Tentative Future Agenda Topics

7. OTHER BUSINESS

Barry Westmark, City of Largo Engineering, shared information with the committee regarding work recently completed on Rosery Road. The City of Largo has had a reconstruction project on Rosery Road for about the last year. Rosery Road has been closed from the Pinellas Trail to Missouri Avenue with construction nearing completion. There has been a resident led petition to keep Poinsettia Road in Belleair permanently closed. This item is to be discussed at the Town of Belleair Commission meeting on October 20, 2020. The City and Town Manager want staff to get together and talk about this issue. At best, it is a minority of residents, supporting this petition. This closure could affect regional activity. This is being raised as an awareness item and Largo would appreciate the collective wisdom of the TCC to provide input at the meeting between Largo and Belleair. Chair Rice suggested gaining input from the area's Emergency Services, that the closure could be potentially dangerous to the health of the residents on Poinsettia Road due to the inability of emergency vehicles to access the road. Cheryl Stacks mentioned that the portion of Trail near the closure could be hardened to allow emergency vehicles to cross even if regular traffic is not permitted. She offered to speak with Largo staff after the meeting.

Jared Austin, Forward Pinellas staff, requested the municipalities submit their local capital improvement programs to him for incorporation into the TIP. He also noted that staff is looking to develop a subcommittee comprised of TCC and PAC members to help further refine the analysis of transportation performance measures to be considered as alternatives to the standard Level of Service analysis traditionally utilized for land use cases. Cheryl Stacks and Pat McNeese volunteered for the subcommittee.

Chelsea Favero, Forward Pinellas Staff, shared with the committee that the Governors Executive Order regarding public meetings is set to expire at the end of September and that Forward Pinellas will inform the committee if the October meeting will be in-person or virtual depending on whether the Executive Order is extended.

The next meeting is October 28, 2020

8. ADJOURNMENT – 3:28 pm

<u>Technical Coordinating Committee - October 28, 2020</u>

3. Transportation Improvement Program (TIP) Amendments

SUMMARY

The Florida Department of Transportation (FDOT) is proposing an amendment to the FY 2020/21 – 2024/25 Transportation Improvement Program (TIP). This amendment is for the addition of wrong-way driver vehicle detection system (WWVDS) equipment on exit ramps in various locations along I-175, I-275, and I-375. The specific locations for this project are as follows:

I-275:

Exit 16 (Sunshine Skyway Ln S)

Exit 17 (Pinellas Bayway)

Exit 17 (Pinellas Bayway)

Exit 17 (54th Ave S)

Exit 18 (26th Ave S)

Exit 21 (28th St S)

Exit 23 B (5th Ave N)

I-175:

Dr MLK Jr exit

6th St exit

I-375:

8Th St N exit

This is a new project for which the total cost is \$1,141,400. This project will not affect any current projects in the FY 2020/21-2024/25 TIP.

Transportation Improvement Program Amendment FY2020/21 - 2024 /25

STIP Amendment Number:

** This STIP is in an MPO Area **

TIP Page Number: Attached

On **Tuesday, November 10, 2020**, the **Pinellas MPO** Metropolitan Planning Organization amended the Transportation Improvement Program that was developed and adopted in compliance with Title 23 and Title 49 in a continuing, cooperative and comprehensive transportation planning process as a condition to the receipt of federal assistance. By signature below, the MPO representative certifies that the TIP amendment was adopted by the MPO Board as documented in the supporting attachments. **This amendment will be subsequently incorporated into the MPOs TIP for public disclosure.**

The amendment does not adversely impact the air quality conformity or financial constraints of the STIP.

The STIP Amendment is consistent with the Adopted Long Range Transportation Plan. (Page Number: TBD)

This document has not been approved

4. Fall Update of the Transportation Improvement Program

SUMMARY

Each year in the Fall Forward Pinellas updates its Transportation Improvement Program (TIP) to include the recently adopted transportation work programs of the local governments. Although metropolitan planning organizations are only required to provide information on federal- and state-funded transportation projects, Forward Pinellas has historically included the transportation projects in adopted local government capital improvement programs through its annual fall update. This provides citizens, businesses and other public agencies that reference the TIP with a more comprehensive report of scheduled transportation projects located throughout Pinellas County.

Pinellas County's transportation work program is adopted each year as part of its Capital Improvement Program (CIP). It is the largest local government work program contained in the TIP. Summary tables representing the transportation section of the CIP are attached. The summary tables include information on the status of the projects and any changes that have occurred from the previous year's work program. Projects that have changed since the prior year are shaded. Also included are the work program tables of the various local governments, local airports, Port of St. Petersburg, Pinellas Suncoast Transit Authority (PSTA) and Federal Transit Administration (FTA) Section 5310 Grant Program allocations. Pending approval by the Forward Pinellas Board on November 10th, the attached maps and tables will be included in the TIP

SUMMARY TABLE OF BRIDGES/SIDEWALKS PROJECTS IN THE FY 2020/21 – 2025/26 PINELLAS COUNTY CAPITAL IMPROVEMENT PROGRAM

*Project is not mapped on Pinellas County Work Program maps

Notes:

- 1) FPN = Federal Project Number; DSB = Design-Build (combines construction and design/preliminary engineering phases to reduce costs and expedite construction); CST = Construction; PE = Preliminary Engineering; PD&E = Project Development and Environment; SRTS = Safe Routes to School.
- 2) Shaded projects indicate changes in the FY 20/21 2025/26 Pinellas County Capital Improvement Program (CIP) compared to the adopted FY 20219/20 2024/25 CIP. The status column summarizes changes from the previousyear.
- 3) This project summary table does not include projects such as drainage work, landscaping, railroad crossings and routine maintenance and repairs.
- 4) Federal Project Numbers (FPN) have been added, where applicable, as a cross-reference to the FDOT State Work Program. Some projects may appear in both the local and state work programs due to funding sources from both local and state government.

5. Draft Countywide Trends and Conditions Report

SUMMARY

Forward Pinellas' *Countywide Trends and Conditions Report* provides an annual snapshot of the county's transportation system, including roads, trails, sidewalks, bike lanes, and transit services. In addition, the report provides data on economic and land use activity, waterborne transportation and emerging technologies. The report serves as a tool to evaluate progress toward achieving the objectives of the Long-Range Transportation Plan, identify improvements to address safety concerns and congestion problems, inform transportation safety studies and transportation project design, and target law enforcement activities related to safety.

This agenda item will include a brief presentation by Forward Pinellas staff.

ATTACHMENT(S): Draft Countywide Trends and Conditions Report

ACTION: Recommend Forward Pinellas Board approval of the Draft Countywide Trends and Conditions Report

<u>Technical Coordinating Committee – October 28, 2020</u> 6. FDOT SafeTRIP

SUMMARY

The Florida Department of Transportation (FDOT) recognizes that due to the location, complexity, and volume of traffic that passes through Tampa's Westshore Interchange (I-275/SR60), the reconstruction of this interchange and the improvements along I-275 to Downtown Tampa may be complicated for motorists to navigate. This is why FDOT is working on a comprehensive approach to ensure safety and mobility during the reconstruction of the Westshore Interchange through a new initiative called SafeTRIP.

SafeTRIP is a comprehensive strategy that will address **T**raffic Management, **R**egional Demand, **I**nnovation and Smart Work Zones, and **P**ublic Engagement (TRIP). FDOT's vision for SafeTRIP is a well-planned and innovative construction zone environment that maintains safety and reliability for the local community, traveling public, and construction workers by providing quality transportation choices, strategic innovation, and proactive communication.

Margaret Kubilins, PE and FDOT SafeTRIP Program Engineer, is overseeing this effort for District 7. Ms. Kubilins will provide an overview of the program and respond to questions.

FDOT Presentation

7. Florida Transportation Plan

SUMMARY

The Florida Department of Transportation is updating the Florida Transportation Plan (FTP), which is the statewide long-range transportation plan for all of Florida. The FTP defines the state's future transportation vision and identifies goals, objectives, and strategies to accomplish that vision. Steering committees have been meeting to develop the draft update which will then be shared at upcoming regional meetings for input.

The Strategic Highway Safety Plan (SHSP) will also be updated in collaboration with Florida's traffic safety partners. It is aligned with and builds on the adopted FTP. Both the FTP and the SHSP share the vision of a fatality-free roadway system to protect Florida's 20 million residents and more than 105 million annual visitors.

A representative from FDOT will present the FTP and seek the committee's feedback to help develop these important plans. More information is provided at the links below.

8. Forward Pinellas Complete Streets Grant Program Applications

SUMMARY

Forward Pinellas provides funding to its local government partners through a variety of competitive grant programs. Now in its 5th year, the Complete Streets Grant Program provides up to \$100,000 for concept planning projects and up to \$1 million for construction projects annually. Forward Pinellas released a Call for Projects in the summer of 2020 and the submittal deadline for the grant program is October 23, 2020.

Forward Pinellas staff will review the grant applications received and will be asking for volunteers from the TCC, who are not representing agencies that submitted applications, to participate on a subcommittee with Forward Pinellas staff to review the applications and develop recommendations for funding. Following review and ranking of the applications by the subcommittee, recommended awards will be brought to the board for approval in March 2020.

Once the submittal deadline has passed, Complete Streets grant applications will be posted here: http://forwardpinellas.org/projects/complete-streets/

ATTACHMENT(S): None

ACTION: None required; informational item only

9. A-D Information Items

A. SPOTLight Emphasis Area Update

Staff will provide an update of the SPOTLight Emphasis Areas.

B. Forward Pinellas Board Executive Summary - October 14, 2020

ATTACHMENT: Forward Pinellas Newsletter/Executive Summary – October 14, 2020

C. <u>Traffic Fatalities Map</u>

As previously indicated, staff will provide the updated Traffic Fatalities Map each month.

ATTACHMENT: Traffic Fatalities Map thru September 30, 2020

D. <u>Tentative Future Agenda Topics</u>

The following topics are tentatively scheduled to appear as items on future TCC agendas:

- Safe Streets Pinellas
- Annual Level of Service Report
- Congestion Management Process
- Annual Priority List Changes
 - Complete Streets Priorities
 - Transportation Alternatives Priorities
 - Multimodal Priorities

Board Meeting Summary & Action Sheet October 14, 2020

Please note that this summary has not been approved as the official minutes of the board.

THE PLANNING COUNCIL AND METROPOLITAN PLANNING ORGANIZATION FOR

PINELLAS COUNTY

The Forward Pinellas Board held this public meeting in person on October 14, 2020 at 1 p.m. in the Magnolia Room at the Pinellas County Cooperative Extension. Presenters and members of the public also had the opportunity to participate virtually to ensure public safety in response to the COVID-19 pandemic. Please see the following link for more information about virtual meeting policies and procedures.

RECOGNITIONS AND ANNOUNCEMENTS

The Forward Pinellas Board recognized October as National Community Planning Month in Pinellas County with the theme - PLANNING IS ESSENTIAL TO RECOVERY. Join us on Facebook, Twitter, Instagram and LinkedIn to see our personalized videos and best planning practices and ideas to raise awareness of the important planning work being accomplished in our communities.

The Forward Pinellas Board recognized October 26, 2020 – November 1, 2020 as Pedestrian Safety Awareness Week in Pinellas County.

Forward Pinellas has joined Vision Zero communities throughout the world to get to zero deaths and serious injuries through our "Safe Streets Pinellas" initiative. In addition, we are also continuing an annual media campaign increasing awareness of one of the most dangerous times of year for kids and pedestrians – Halloween and the end of Daylight-Saving time.

The Forward Pinellas Board congratulated the Safe Streets Pinellas Art Contest Winners!

All artwork is available on the Safe Streets Pinellas website, forwardpinellas.org/safestreets/gallery/

PUBLIC HEARING ITEMS

The board voted unanimously to continue the following amendment to the Countywide Plan Map:

 The City of St. Petersburg seeks to amend a property from Public/Semi-Public and Residential Low Medium to Residential Medium and Residential Low Medium

Case CW 20-16 is being legally challenged at the local level by a citizens group. The City of St. Petersburg has requested to defer this item until after the legal challenge has concluded. The legal proceeding is scheduled for November 17 – 19, 2020 and the judge's decision will have a direct impact on when or whether the board will consider this future land use map amendment.

The board unanimously approved the following amendments to the Countywide Plan Map:

- The City of Pinellas Park seeks to amend a property from Retail & Services to Employment
- Location: 12575 US Highway 19 North
- Area Size: Approximately 2.19 acres
- Existing Uses: Contractor shop
- Surrounding Uses: Commercial, retail

The purpose of this amendment is to allow for outdoor storage on the subject property.

- The City of Largo seeks to amend properties from Retail & Services, Employment,
 Office, Public/Semi -Public, Residential Medium, Residential Low Medium,
 Recreation/Open Space and Preservation to Activity Center and Multimodal
 Corridor.
 - Location: Largo Tri-City Area
 - Area Size: Approximately 736.2 acres
 - Existing Uses: Residential, Retail, Office, Recreation/Open Space
 - Surrounding Uses: Residential, Retail, Recreation/Open Space

The purpose of the proposed amendment is to activate the last of three major Activity Centers and portions of two Multimodal Corridors in this area of Largo.

This plan was developed to support the <u>Gateway Master Plan</u> and intends to utilize the activity center and multimodal corridor categories as a means to establish a regulatory framework for the area to become a major center with robust transit services and numerous housing options. The City of Largo reached over 1,000 residents through online surveys, community forums, stakeholder interviews and a scenarios charette and this input was able to shape plan recommendations related to multimodal transportation, sustainability and resiliency, land use and housing, lighting, and public art.

PRESENTATIONS AND/OR ACTION ITEMS

Commissioner Long presented updates for the PSTA Activities Report.

- PSTA met virtually on September 30, 2020. The next meeting will also be held virtually on October 28, 2020. Due to projected property tax revenues and federal government assistance related to COVID, PSTA is projecting a positive budget and funding availability.
- PSTA is launching an autonomous vehicle project in St. Petersburg.
- In addition, PSTA will be partnering with the City of Clearwater for the advancement of the Clearwater Ferry and a new intermodal center in Downtown Clearwater.
- PSTA is continuing construction of the SunRunner Bus Rapid Transit project.

Executive Director Blanton presented updates for the TBARTA Activities Report.

- TBARTA met virtually on September 25, 2020. They voted to elect new officers for the next fiscal year and unanimously approved retaining Jim Holton as Board Chairman and Commissioner Janet Long as Secretary-Treasurer and approved Richard McClain as the new Vice-Chairman.
- The board unanimously approved a second amendment to TBARTA's interlocal agreement with PSTA. The initial agreement allowed PSTA to provide TBARTA grant administration management, administration procurement and accounting services. The first amendment extended the original agreement for an indefinite term. This second agreement allows for reciprocal services from TBARTA to PSTA.
- TBARTA proposed a regional Tampa Bay study based on a presentation from Hyperloop Transportation Technologies, which operates an electromagnetically propelled, levitating capsule that provides a safe, quality passenger experience. Phases one and two of the study would focus on creating a tunnel concept in infrastructure connecting Tampa, St. Petersburg, and Bradenton. The third phase entails a network concept connecting Bradenton to Miami. Further consideration of the hyperloop will be discussed at the October policy meeting.

Florida Department of Transportation (FDOT) D7 SafeTRIP Program Engineer Margaret Kubilins, P.E. presented on SafeTRIP.

Due to the location, complexity, and volume of traffic that passes through
Tampa's Westshore Interchange (I-275/SR 60), the reconstruction of this
interchange and the improvements along I- 275 to Downtown Tampa will be
complicated.
Therefore, FDOT is working on a comprehensive approach to ensure safety
and mobility during the reconstruction of the Westshore Interchange through a
new initiative called SafeTRIP. SafeTRIP is a comprehensive strategy that will
address Traffic Management, Regional Demand, Innovation and Smart Work
Zones, and P ublic Engagement (TRIP).
FDOT's vision for SafeTRIP is a well-planned and innovative construction zone
that maintains safety and reliability for the local community, traveling public,

and construction workers by providing quality transportation choices, strategic

innovation, and proactive communication. The SafeTRIP program will be updated as needed and incorporate lessons learned during pilot projects as FDOT gains data and performs evaluations.

Forward Pinellas Principal Planner Angela Ryan invited everyone to join the
Virtual Bike Your City self-guided scavenger hunt through beautiful Safety
Harbor from October 16 – 31, 2020.

□ From downtown Safety Harbor to Phillippe Park and along the Bayshore Linear Greenway Trail, you can explore the beautiful biking areas that make Safety Harbor so unique. The Bike Your City scavenger hunt is an innovative way to promote bike advocacy and safety throughout Pinellas and provides residents and visitors with an amazing opportunity to come together and promote Community Planning Month even while physically apart. Register today:_bit.ly/BYCRegister

The Forward Pinellas Board unanimously approved the composition of the 2021 Nominating Committee.

□ Each year the Forward Pinellas Board votes to elect a chair, vice-chair, secretary and treasurer. Those positions comprise the board's Executive Committee. With the completion of the current chair's second year and several other board seats turning over with new members, Vice Mayor Suzy Sofer, Commissioner Ken Welch, and Commissioner Connor Donovan agreed to serve on the Nominating Committee to form a recommendation for a slate of officers for election at the November board meeting.

SPOTlight Update:

Waterborne Transportation Committee Update from October 9, 2020.

□ The first Waterborne Transportation Committee meeting was held on October 9, 2020 and Mayor Joanne "Cookie" Kennedy was unanimously elected chair. She provided an overview of the meeting, reporting that the committee discussed the state of the waterborne transportation system, funding mechanisms for existing services, operating agreements, and next steps.

TBARTA Aerial Cable Transit Scope Development Update

Mr. Blanton reported on progress working with TBARTA to conduct stakeholder
interviews to gauge interest and identify issues to be addressed in a detailed
study of a proposed aerial gondola system in Pinellas County.
TBARTA will manage the work and has funding in place for the study.

Gateway Master Plan Memorandum of Understanding Update

□ Director Blanton reported that the City of Pinellas Park most recently adopted the Gateway Master Plan and Memorandum of Understanding (MOU), which is a commitment to implement the plan. Forward Pinellas is expecting all partnering local governments to adopt the MOU this fall and be committed to considering recommendations of the plan throughout various implementation activities.

DIRECTOR'S REPORT:

Tampa Bay Transportation	Management Area	(TMA) Leadership	ງ Group Meeting
Update			

Mr. Blanton reported on the latest Tampa Bay TMA Leadership Group meeting,
which was held virtually on September 18, 2020. The group unanimously approved
sending a letter in support of TBARTA's Application for the Innovation and Service
Development Grant provided by the Commission for Transportation
Disadvantaged. If the grant is awarded, TBARTA will begin the three-year
Transportation Disadvantaged Tampa Bay program by December 1, 2020,
providing cross-county services for transportation disadvantaged persons.
The Tampa Bay TMA Leadership Group expressed support for the Draft Position
Statement on Transit Funding, highlighting the drawbacks of state legislative
earmarks for public transit projects. The overall draft position statement focuses on
the fact that legislative earmarks do not result in new funding for transit and instead
shift funds away from essential services that local transit agencies have already
prioritized. This position statement will be brought before the Forward Pinellas
Board on November 10, 2020 to make a recommendation to the TMA Leadership
Group prior to its next meeting on November 20 th .

Forward Pinellas Legislative Committee Update

☐ The Legislative Committee met for the first time since March to discuss legislative issues and priorities for the 2021 Florida Legislative Session and will meet monthly through the end of the session in May 2021. The committee is expected to present a draft set of legislative priorities for the board's consideration in November.

Countywide Housing Strategy and Virtual Summit Series

□ Forward Pinellas and Pinellas County are bringing together industry leaders, elected officials, policymakers, planners, businesses, nonprofits and residents for a series of discussions on creating and sustaining more homes that are affordable. For more information, visit www.homesforpinellas.org/summit.

UPCOMING EVENTS:

☐ Homes for Pinellas Virtual Summit

For more information about the Homes for Pinellas Virtual Summit **or to register for each session**, visit: www.homesforpinellas.org/summit

- □ Safe Streets Pinellas: Nursery Road/ Duke Energy Trail Demonstration Project October 26, 2020
- □ Virtual Bike Your City 2020 October 16-31, 2020

Jump on your bicycles and enjoy riding around beautiful Safety Harbor while finding enchanting scavenger hunt locations! For more information or to register, visit: bit.ly/BYCRegister

MPO Advisory Council Governing Board – October 29, 2020
Gulf Coast Safe Streets Summit - November 16-19, 2020
Tampa Bay TMA Leadership Group Meeting – November 20, 2020

The next board meeting will be November 10, 2020. Virtual options for participation will be available. Please visit our website for more information: www.forwardpinellas.org

Action Sheet

October 14, 2020

At its October meeting, the Forward Pinellas Board took the following official actions:

- □ <u>Consent Agenda</u> (vote: 8-0, Commissioner Long and Councilmember Rice had not yet arrived) Approved to include the following:
 - A. Approval of Minutes of the September 9, 2020 Meeting
 - B. Approval of Committee Appointments
 - C. Approval of Remaining Procurement #20-01 Planning Consultants Agreements
 - D. Approval of Scope of Services and Budget for Website Redesign

Countywide Plan Map Amendment(s)

Two cases were recommended for approval:

- CW 20-17 City of Pinellas Park (vote: 9-0, Councilmember Rice had not yet arrived)
- 2. **CW 20-18 City of Largo** (vote:
- 10-0) One case was deferred:
 - 1. **CW 20-16 City of St. Petersburg** (vote: 9-0, Councilmember Rice had not yet arrived)

☐ Establishment of a Nominating Committee

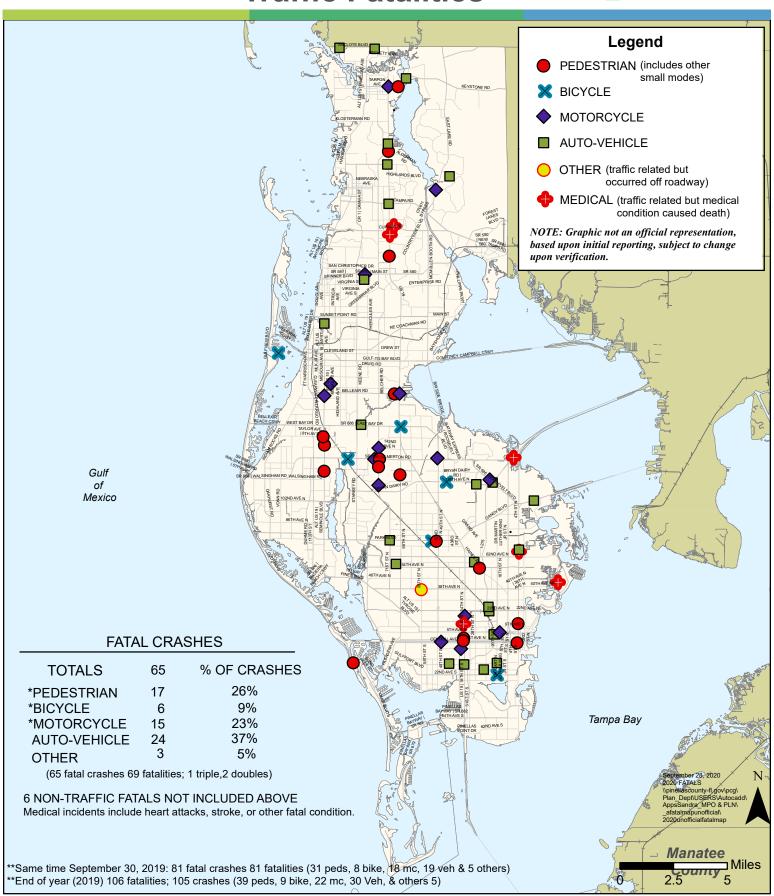

Executive Director Blanton indicated that two outgoing board members have already agreed to serve on the Nominating Committee to include Vice Mayor Suzy Sofer and Commissioner Ken Welch. Following query by the Chair, Commissioner Connor Donovan also agreed to serve on the committee. The committee will meet on November 10th at 10 a.m. to form a recommendation for the full board concerning the Executive Committee appointments for 2021. The composition of the committee was unanimously approved by the board. (vote: 10-0)
