#### ADVANTAGE PINELLAS

### Local Funds

- Highly Flexible –
  Covers all modes
- Based on local priorities
- Can be used to match state/federal funds
- Nearly 100%
  committed for local needs

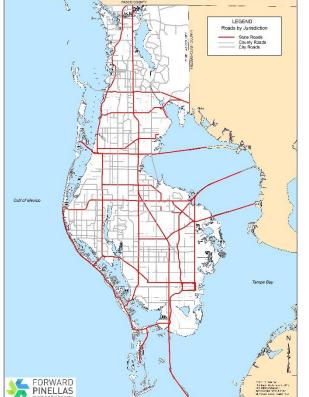

#### Other Arterials

- For non-SIS state roads
- Can be used for local, parallel/reliever roads and transit
- For non-state roads, must include a 50% local match
- Few state capacity projects and limited local matching funding in Pinellas
